

# RICOH IM 550F

✓ Print ✓ Copy ✓ Scan ✓ Fax

## Highly intelligent device

Intelligent, productive and utterly reliable, this compact A4 black and white multifunctional printer effortlessly keeps pace with your changing business requirements.

### Intuitive touchscreen interface

- Smart Operation Panel
- Time-saving Smart apps
- Ricoh Smart Integration
- Regular firmware upgrades

The IM 550F can print, copy, scan and fax. Its 10.1 inch Smart Operation Panel simplifies operation. Smart apps, such as ID Card Copy, automate time-consuming processes and with Ricoh Smart Integration, new applications can be downloaded from the Cloud. Indeed, RICOH Always Current Technology ensures that the all in one printer constantly adapts to your changing needs.

### Productive print performance

- 1200 dpi, PCL & PS ready
- Fast 55 ppm print speed
- 2600 sheets capacity (max)
- Long-life 500k drum

Driving your business forward, the IM 550F powers quickly through workgroup print requirements. Its Intel processor effortlessly handles PCL and PostScript files. To improve workflow speed, the first immaculate 1,200 dpi print is ready in 2.4 seconds and multipage document sets are delivered at a productive 55 ppm. What is more, with up to 2,600 sheets paper on line and a long-life imaging drum ensuring maintenance free performance, there is seldom any need for it to stop.

The versatile 4-in-1 MFP is equipped with a Single Pass Document Feeder (SPDF). To save time, double sided originals are scanned in a single pass and can be forwarded to email or uploaded directly to Cloud-share services, such as DropBox™ and Sharepoint™. The Smart Operation Panel also supports the use of enterprise workflow solutions, including Ricoh's Streamline NX. And, with Near Field Communication (NFC), secure authentication is as easy as tap and go.

### Enterprise-level security

- Fast single-pass scanning
- Upload directly to Cloud
- Run enterprise solutions
- Secure authentication

## MAIN SPECIFICATIONS

### GENERAL

|                         |                         |
|-------------------------|-------------------------|
| Warm-up time            | 25.4 seconds            |
| First copy speed: BW    | 2.4 seconds             |
| Continuous output speed | 55 ppm                  |
| Memory: standard        | 2 GB                    |
| Memory: maximum         | 2 GB                    |
| HDD: standard           | 320 GB                  |
| Weight                  | 29 kg                   |
| Dimensions: W x D x H   | 480 x 539 x 644 mm      |
| Power source            | 220 - 240 V, 50 - 60 Hz |

### COPIER

|                       |                              |
|-----------------------|------------------------------|
| Multiple copying      | Up to 999 copies             |
| Resolution            | 600 x 600 dpi                |
| Enlargement/reduction | 50 - 200%                    |
| Zoom                  | From 25% to 400% in 1% steps |

### PRINTER

|                             |                                                                                                                             |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| CPU                         | Intel® Apollo Lake Processor 1.3 GHz                                                                                        |
| Printer language: standard  | PCL5e, PCL6(XL), PostScript 3 (emulation), PDF direct (emulation)                                                           |
| Printer language: option    | Genuine Adobe® PostScript®3™                                                                                                |
| Print resolution: maximum   | 1,200 x 1,200/1 bit                                                                                                         |
| Protocol                    | TCP/IP, IPX/SPX                                                                                                             |
